Mitsui Chemicals (China) Establishes Branch in Beijing ~ Strengthening business activities in North China ~

Mitsui Chemicals, Inc. (Tokyo:4183; President & CEO: Tsutomu Tannowa) announced that its wholly-owned subsidiary, Mitsui Chemicals (China), Co., Ltd. (President: Yuji Fukuyama), will open a new branch in Beijing and commence commercial operations on October 1st.

Beijing Branch of Mitsui Chemicals (China)

Until now, sales activities of the Mitsui Chemicals Group in China have mainly been conducted through its Mitsui Chemicals (China) Shanghai head office. By establishing a new base in Beijing, the Group will not only be able to provide better service in not only automotive-use materials such as elastomers and polypropylene compounds, but also materials for use in electronic information products, packaging and films, and agrochemicals.

The new Beijing Branch will be located next to Mitsui Chemicals' Beijing Office.
